

# H&C HEAT AND COMBUSTION

## JUST A REMINDER OF THE NEW ITEMS @ HEAT & COMBUSTION

We have been adding lots of new and exciting items to our already buldging products portfolio and we wanted to take this opportunity to remind you about just some of them.

## TEKSAN M.I.D. APPROVED HOT & COLD WATER METERS

We are very proud to announce that with our ever developing portfolio, we are now THE OFFICIAL TEKSAN TECHNOLOGIC METERING SOLUTIONS DISTRIBUTOR for the U.K. & Ireland.

With the pending M.I.D. approval for mechanical meters coming into force in 2016, we have taken the opportunity to be ahead of the game in obtaining these meters to meet this approval.

TEKSAN have achieved ISO9001.2008 Quality Management Systems. Please ask us about the full range of pulsed **Hot** & **Cold** meters.

## SHARKY 775 ULTRASONIC HEATMETER

The SHARKY range has a very productive history being manufactured since 1992. They are made in Germany so quality is second to none, M.I.D. approved and comes with a 16 year, **YES A 16 YEAR BATTERY LIFE**. The SHARKY 775 comes battery powered & complete with 2 meter sensor cables & pockets as standard. They also come with either pulse or M - Bus outputs ( please specify when ordering ). It is also available in a Heating & Cooling configuration.

## THE TLSWM1246 PLANT EXTENSION TIMER

For multi-selectable control of domestic or commercial electric loads. Also suitable for many air conditioning units. Switches load on for a limited time only. Pressing the button selects each time lag choice in turn. The load then remains on for the chosen time lag before switching off automatically. The button can also be used at any time for selecting a different time lag or for switching off. Ideal for use in hotels, holiday chalets / apartments, student accommodation, military barracks, community centres, charging points etc.

As always, you can call us on 029 20 463345 for any help or even if it's just for a price. You can also obtain your live prices via the [Live Price Portal](#) where you can also get special information, notifications, news and offers.
